HAVE YOU MET OUR LITTLE SISTERS?  
Our very own fishmongers Jarvis, has been serving Kingston and the surrounding areas since it opened back in 1942. Jarvis is renowned for its extensive range of the freshest fish and shellfish around and also prides itself on smoking all of its own fish! Their traditional smokeholes & methods mean that we can smoke, salt & cure our own salmon, haddock, cod, mackerel & much more!

OUR ETHOS  
At fish! we endeavour to ensure that the fish on your plate is responsibly sourced. With the food chain contributing to more than 25% of the UK's total emissions of CO2, our aim is to use local suppliers, most of which are from Borough Market itself. Quality is our main concern and we are constantly working hard to source the best possible produce from our suppliers.
